

## wāf.r™ LED ceiling spec sheet

### material

#### trim ring

precision CNC spun .063" aluminum. rolled bottom edge for added strength.

#### diffuser

.187" virgin matte white acrylic lens held in place with allen key set screws recessed into trim ring.

### optics

#### reflector

.050" aluminum array platform painted high reflectance (>92%) matte white powder coat.

### efficiency

constant current driver operates LED consistently, regulating the current flow through it to produce the most consistent light output and efficiency. constant current driver protects LEDs from voltage fluctuations in the building power system, eliminating stress from over voltage, inrush surges, and flicker from voltage fluctuations, assuring long service life.

### LED

custom LED board in 3000K, 3500K, or 4000K (80 cri). under normal operating conditions, the LEDs employed are rated for >36,000hrs L70 (6.8K) per IES TM-21 from LM-80 test data, and 71,000hrs L70 projected life.

### driver

Roal Strato series, class 2 power unit, built-in active PFC function, universal input (120-277 vac), 10% minimum dimming level, PF >80, protections include short circuit, over current, over voltage and over temperature. wired from factory for 1-10v dimming. (26" dia)

Meanwell LPF series, class 2 power unit, universal input (120-277 vac), 10% minimum dimming level, PF >92, THD <20% at full load, >418khrs MTBF, protections include short circuit, over current, over voltage and over temperature. wired from factory for 1-10v dimming. (38" dia/48" dia)

### mounting

designed to mount to 4 inch octagon junction box (by other). consult factory for installation instructions.

### emergency

emergency not available. if required, recommend use of inverter (by other).

## Powder Coat Paint Finishes

**MW** matte white

**SB** satin black

**YO** yellow 1018

**TW** textured white

**CP** champagne

**RD** red 3020

**AP** anodized paint

**BZ** bronze

**BU** blue 5017

**SS** satin silver

**BR** brick red

**OR** orange 2011

**TG** textured gray

**MB** military blue

**MN** mint 6019

For accurate color verification, actual finish samples are available upon request.

## Premium Finishes\*

**BA** brushed aluminum

**RAL#**

**MED** mediterranean

**KNP** knotty pine

**MPL** maple

**WAL** walnut

**MHG** mahogany

For accurate color verification, actual finish samples are available upon request.

\*Available on select series. Consult product spec sheet for availability.

(extended lead time typical for wood finishes)
